

Horndean Surgery

New Premises

The Partners are very pleased to report that South Eastern Hampshire CCG will be supporting our move to new premises.

We are now moving to the next stage of the process which is to buy the building [next to the Spar] from Linden Homes. The building will then need to be fitted out to NHS requirements.

We are sure you will agree that this is great news and a positive step forward. We will keep you up to date with our progress.

Dr Mark Coombe
