

**Horndean Surgery**

## **New Premises**

**After 7 long years we are excited to be able to share with you the news that the Practice has finally secured the ownership of the 'Shell and Core' for our new larger premises [Ground floor space opposite Everetts Pharmacy].**

**We envisage that the fit out of the Shell and Core will take approximately 6 months, however work is has already started and we will keep you informed of its progress.**

**Once completed we will then be in possession of brand new purpose built surgery which will provide the local community of Horndean with improved, up to date and safe medical facilities.**

**The practice has worked extremely hard over the past 7 years to secure this new surgery for the benefit of its patients and staff and could not have done this without the help and support of East Hampshire District Council, Guy Shepherd our local Counsellor, South Eastern Hampshire CCG and our dedicated Patient Participation Group.**

**This is an exciting time for us and we believe that moving into this new larger building will allow us to continue to deliver high quality services which integrate health, education and address wider social needs yet allow us to maintain our family friend ethos which is extremely important to us here in Horndean.**

**Dr. Mark Coombe, Dr. Clare Matthews Dr. Zaid Hirmiz**
