

British Kidney Patient Association

Area covered: Whole of Hampshire

The British Kidney Patient Association aims to reach and improve the care and daily quality of life for everyone affected by kidney disease. We are the leading grant-giving charity supporting kidney patients in the UK. • Educating and informing patients, the public and healthcare professionals about kidney disease. • Campaigning to improve the lives and choices of kidney patients. • Funding healthcare professionals, projects and services. • Funding patient-centred research. We offer a patient counselling service, booked by phoning 01420 541424 or emailing info@britishkidney-pa.co.uk. We offer grants to kidney patients in need (applications supported by relevant healthcare professional, social worker or advocacy officer) We host a very active patient forum on <https://www.facebook.com/groups/TheBKPA/>
