

Kingsley Organisation

Area covered: East Hants District Council area

“The Kingsley Organisation supports disabled people to pursue their ambitions by valuing each person as an individual and enabling opportunity and choice”. (Mission) Based at the Kingsley Centre in Hampshire the Organisation’s main aim is to provide self development and training with and for disabled people. At the Kingsley Centre there is the additional aim to provide services to the community. Through the provision of an inclusive enabling environment the Centre promotes learning, wellbeing and community cohesion. We work with people from across the disability spectrum providing opportunities and support for those with complex needs through to those who are struggling with low confidence and self esteem. In addition to our specialist disability services, we are a community centre with a village shop, post office and cafe, variety of community activities including a Lunch Club, Community Coffee morning, a Supported Volunteering Programme and a variety of volunteering opportunities for those more able.

WHO ARE OUR SERVICES FOR

As a Community Centre we have services covering from 'cradle to grave' some delivered directly by us but we are also a venue for a variety of community groups including a Nursery, Ballroom Dancing, Zumba and Pilates all open to the community. Additionally National Autistic Society and KIDS Respite service access our facilities due to synergy with our own mission and excellent accessibility. Our own Disability Services primarily work with Adults with our Community Lunch focusing on older people who are isolated.

EXCLUSIONS TO OUR SERVICE

We have no defined exclusions however some of our services require payment and those accessing these services normally have a Social Care Assessed need with services purchased through spot purchase or Direct Payments. However we are a charity which does extensive fundraising and grant applications to enable us to provide services and opportunities where no government funding is available but an individual will obviously benefit both emotionally and physically.

WHO CAN REFER TO OUR SERVICE
