

THE HORNDEAN PATIENT PARTICIPATION 11th JANUARY 2017

Apologies

CF

Present

DC, J C, E F, Mr and Mrs S, I C, D R, ID, J S, Mark Coombe and J L.

Surgery

Jean said that they now have a new receptionist who started this week and her name is Louise.

The Surgery will be working with other practices offering a “Winter Pressure Service” on Weekends from 8a.m until 4p.m. to relieve the pressure on A&E. Patients will either call their own surgery, or 111 and will be re-directed to a Surgery in Petersfield or depending on the problem A&E.

Staff from surgeries at The Swan, and The Grange are offering these services, which are for emergencies only and they will operate on Weekends, either at the Swan 8.30am until 4.00pm. or at the Grange 9.00am until 4.30pm.

New Surgery Update

Sadly we are no further on. Mark has been badgering Linden Homes for basic information about the shell which has not been forthcoming. Guy Shepherd of East Hants District Council has arranged a further meeting on Monday 19th January and hope to get Linden Homes to commit all outstanding correspondence, thus allowing the exchange of contract to go ahead without further delay.

Male Health

Derek has met the Swan PPG and at the first joint meeting on Saturday 11th February, Mark will be giving a talk on prostate cancer, and there will also be talks on diabetes and cardiac problems.

The Swan surgery will be advertising this event which will be held at the United Reform Church, College Street, Petersfield, GU31 4AG.

There will be 35 places allocated per practice and patients may have to ring the Swan to book a place. They are asking for help with teas and coffees and clearing up. Jo and Ian have volunteered.

Jean said she would get some more information and e-mail details.

Meeting finished at 7.30p.m.

NEXT MEETING WEDNESDAY 8TH MARCH 2017
