We have moved

We are delighted to be writing to you to announce that after many years of hard work we have finally moved into our new building. Our telephone number remains the same as do our normal opening hours. Access to Patient Access for repeat medication requests and medical records, on-line appointment booking and E-Consult also remains the same.

We are aware that the parking situation is still far from perfect but unfortunately this has been, and remains, completely out of our control. The car park is managed by First Port Management on behalf of Linden Homes. As a parking restriction formed part of the planning agreement between Linden Homes and East Hampshire District Council, we have been reassured that the car park will be monitored and the 2 hour restriction enforced. Parking is free for up to 2 hours. There is one disabled space at the back of the building which is solely for the use of people with very limited mobility or a blue badge. Parking is available in the public car park opposite the old surgery, in front of and by the side of the parade of shops on Portsmouth Road and in the car park next door to Shambles. We are also closer to the bus stops for those using public transport.

We would like to take this opportunity to welcome all our patients to our exciting new building and to thank everyone who has worked so hard to bring the project to completion including the surgery's Patient Participation Group, EHDC, our local Clinical Commissioning Group our Local Developers, Blendworth Development LTD and Guy Sheppard.

We plan to hold an open day in the near future so please do visit us online at www.horndeansurgery.co.uk, visit us on our Face book page or look out for our posters in the surgery for more information once we have moved.

Kind regards

Mark Coombe, Clare Matthews and Zaid Hirmiz
